

Cathy Allare of CARD offered the use of meeting space at FAU, Port St. Lucie without cost to the FCC. CARD will also provide a speaker for the meeting to discuss CARD services.

FCC will invite Peter Karlan to return as Moderator and N. Moody will also speak about the benefits of membership on the FCC District 15. N. Moody will coordinate with Mary Edwards and APD will mail out the meeting invitations. **Motion** made by S. Bielecki to have the Waitlist meeting at FAU with CARD as a speaker, Peter Karlan moderating, seconded by L. McGlone. Passed by all present.

Discussion followed regarding FCC members donating personally to purchase a gift card to use as a door prize for the meeting. N. Moody had sent out many letters prior to the last meeting soliciting donations and only received a limited response. S. Bielecki suggested that this gift card would provide an inducement to boost meeting attendance. Discussion followed as to where it would be best to purchase the card, WalMart or Target. A. Magnolia mentioned that WalMart has a community service representative that we should contact. WalMart is very supportive of local organizations if approached directly. They have a budget just for charitable causes. It was agreed that N. Moody would approach WalMart and Target to solicit them for a contribution for the meeting. L. McGlone asked that N. Moody email her a copy of the letter that FCC uses to ask for contributions from stores and other community groups.

Family Café at Coronado Beach, Disney, June 18, 2010 FCC Budget 2009-10

R. Wingate brought a printout of the FCC budget showing the year's expenditures and a current balance of \$7,631.74.

The FCC needs to consider a budget for attendance at the Family Café. Currently, N. Moody, S. Bielecki, R. Wingate, B. Boulahanis and L. McGlone would all like to attend. Pending members, A. Dissis and D. Cicarelli would also like to attend. Based on a rough estimate, it was determined that it costs \$500. per family, all inclusive, to attend for the weekend. There is a probability of at least five members attending with an additional 4 members whose applications are still pending. It was agreed that new applicants to FCC will be considered for funding to attend Café if their applications are approved by FCC.
