

FAMILY CARE COUNCIL 9
MISSION STATEMENT
GOALS and ACTION PLANS
2020-2021

To educate & empower individuals with developmental disabilities & their families and to partner with APD to bring quality services to individuals with dignity & choice.

GOAL #1 To assist in providing information, education & outreach to all families. ACTION: To attend various agency meetings representing FCC9 to educate & empower all families within our diverse community.

GOAL #2 To make recommendations regarding families or services to APD as needed. ACTION: Meet formally as well as informally with our APD ROM.

GOAL #3 To reach out to PBC Schools Special Education Coordinators & Principals. ACTION: Introduce council to schools as to what our role is in the disability community & to partner in recruiting younger family members for FCC9..

GOALS #4 Partner with outside community agencies/resources. ACTION: Each member has committed to contact & go to individual meetings to bring back shared information. Bridging the Gaps!
